

International Seminar on Conservation and Prospecting of Bioresources in Asia-Pacific Region

December 18-20, 2018

Taipei, Taiwan

Day 1, December 18, 2018	
08:30-09:00	Registration and Accreditation
09:00-09:30	Opening Remarks 1. Council of Agriculture 2. APAARI/APCoAB 3. Ministry of Foreign Affairs 4. Academia Sinica 5. National Taiwan University
09:30-09:40	Group Photo
09:40-10:00	Coffee Break
10:00-11:10	Session One—Keynote Speech Moderator : Dr Chung-Hsiu Hung, COA, Taiwan 1. Conservation and Prospecting of Bioresources in Taiwan 2. Conservation and Prospecting of Bioresources in Asia Pacific Region
11:10-13:30	Poster/Exhibition/Lunch Box
13:30-14:40	Session Two—Policy and Regulation of Bioresources in Asia Pacific Region Moderator : Dr Huu-Shen Lu, NTU, Taiwan 1. Policy and Regulation of Bioresources in India 2. Policy and Regulation of Bioresources in Malaysia 3. Policy and Regulation of Bioresources in Iran
14:40-15:30	Poster/Exhibition/Coffee break
15:30-16:30	Session Three—Conservation and Prospecting of Bioresources in Pacific island Countries Moderator : Dr Kou-Chen Yeh, ABRC, Taiwan

	<ol style="list-style-type: none"> 1. Policy and Regulation of Bioresources in Samoa 2. Policy and Regulation of Bioresources in PNG 3. Policy and Regulation of Bioresources in Fiji
16:30-17:30	<p>Discussion and conclusion</p> <p>Moderator: Dr Yusuf Zafar and Dr Ravi Khetarpal, APAARI, Thailand</p> <p>Panelists by invitation</p>
18:30-20:30	Welcome Dinner (Invited Only)
Day 2, December 19, 2018	
09:00-10:30	<p>Session Four – Prospecting and Application of Bioresources in in Asia Pacific Regions</p> <p>Moderator : Dr Je-Ruei Liu, NTU, Taiwan</p> <ol style="list-style-type: none"> 1. Functional Study and Application of Medicinal Plants Dr Wen-Chin Yang, ABRC, Taiwan 2. Conservation and Recreation of Forests in Taiwan (To be invited by COA) 3. Conservation and Recreation of Mikado Pheasant in Taiwan Dr Mong-Hsun Tsai, NTU, Taiwan 4. International cooperation on fishery management and research: a case of Pacific bluefin tuna Dr J.C. Shiao, NTU, Taiwan
10:30-10:50	Coffee Break
10:50-11:30	<p>Session Five – Application of CRISPR/CAS9 in Bioresources</p> <p>Moderator : Dr Shih-shun Lin, NTU, Taiwan</p> <ol style="list-style-type: none"> 1. TBA/ CRISPR/Cas9 & Targeted Genome Editing in Crop 1 Dr C.Y. Hong, NTU, Taiwan 2. Genome-editing technology for crop improvement Dr Y.U. Chang, NTU, Taiwan
11:30-14:30	Poster/Exhibition/Lunch Box
14:30-16:00	Session Six – Toward Successful Commercialization of Bioresources in Taiwan

	<p>Moderator : Dr Wen-Chin Yang, ABRC, Taiwan</p> <ol style="list-style-type: none"> 1. Research and Development of Anti-coccidial Phyto-genics in Broilers Dr Yu-Chuan Liang, ABRC, Taiwan 2. Induction of Protective Immunity in Chickens Immunized with Plant-made Chimeric Bamboo Mosaic Virus Particles Expressing Very Virulent Infectious Bursal Disease Virus Antigen. YHH, NCHU, Taiwan 3. Application of Anti-microbial Peptides as a Feed Additive against <i>Riemerella anatipestifer</i>. Dr Jyh-Yih Chen, ICOB, Taiwan 4. TBA
15:50-16:20	Coffee Break
16:20-17:20	<p>Discussion and Conclusion</p> <p>Moderator: Dr Rishi Tyagi , APAARI, Thailand</p> <p>Penalists by invitation.</p>
Dinner on your own. Enjoy Taipei!	
Day 3, December 20, 2018 –Technical Tour	
09:30-12:00	Tea Research and Extension Station, Taoyua, COA, Taiwan
12:00-14:00	Lunch
14:00-17:00	Agricultural Technology Research Institute (ATRI), HsinChu
Dinner on your own. Enjoy Taipei!
